2024 Annual Meeting

The Citizens for Brentwood Green Space (CBGS) recently held their annual meeting. Officers elected for 2024 include:

- A. President - Gil Hutchinson
- B. Vice President - Joe Harkins
- C. Treasurer - Kelli Nelson
- D. Secretary - Dave Kumatz

Discussions included the continued collaboration with Bike Walk Brentwood and the status of the mountain biking trail in Smith Park, Memorial donations and, finally, the work by the City on the new future Windy Hill Park!

Looking back at 2023, the year will still be remembered as a year of opportunity and success for CBGS. We are pleased to provide this report on the activities of the corporation and accomplishments in 2023 as well as presenting the goals and objectives that we are planning to pursue over the next year.

Major Activities and Accomplishments in 2023

1. Our People

People are an important and essential asset to the development and growth in any organization. This is particularly true of volunteer organizations that rely on the passion and dedication of people that share an interest in the mission and are willing to promote that with others in their communities.

CBGS has a strong, dedicated board that is willing to work hard and help us achieve our goals. Their enthusiasm and experience have positioned our organization for future success. Officers that served during 2023 included: President - Gil Hutchinson, Vice President - Joe Harkins, Treasurer – Kelli Nelson, and Secretary – David Kumatz.

Board members continue to be involved in giving back to their community through participation in a wide variety of community organizations. A number of our Board are engaged in local civic organizations such as Leadership Brentwood for example. The following board member also served on a City Board during 2023:

- Chris Cummins, Environmental Advisory Board

A number of our board members have previously served on City Boards in the past as well.

2. Community Engagement

In years past, CBGS has been a frequent speaker around the community with local organizations and at public hearings and City Commission

meetings. Our web and social media sites remain accessible to the community and provide valuable content and updates. We have a strong and valued relationship with the local media and are often sought to provide quotes or topics on items of interest to the local community.

3. Mountain Biking System at Marcella Vivrette Smith Park

We continue to look forward to new amenities and improvements at Marcella Vivrette Smith Park in the coming years! Bike Walk Brentwood and Citizens for Brentwood Green Space announced a partnership in 2022 to evaluate and promote the development of a new mountain biking system at Marcella Vivrette Smith Park. The City approved their design in November 2022.

There were three successful workdays 2023. More importantly, project fundraising goals have been met and we anticipate a March or April 2024 ribbon cutting.

We are thankful for the support from the community for this exciting new amenity!!

4. Our Goals in 2024

Private donations help provide amenities and maintenance support in our parks. At the dawn of 2024, we are focused on the future and have well defined goals in place. We are committed to making “Brentwood Green Space” a name that carries meaning with it. We want people to know we are a link to nature, whether through getting citizens to work together towards a common goal of helping the City with land acquisitions and improvements or by providing a focus for the preservation of green space throughout our community for generations to come.

About Citizens for Brentwood Green Space, Inc.

The Citizens for Brentwood Green Space, Inc. (CBGS) is a volunteer citizens group organized as a 501(c) (3) nonprofit corporation. Our mission is to preserve open space in the form of parks, trails, historic sites, and flood plains while being sensitive to the rights of landowners and developers. CBGS desires to assure that ongoing development of land resources is accomplished in a way that is beneficial to landowners, to existing citizens of the city, and to future generations of Brentwood residents. For more information please visit www.brentwoodgreenspace.org, our Facebook page “[Brentwood Green Space](#)” or follow us on Twitter “@BrentwoodGreenS” and Instagram “brentwoodgreenspace”.
